

Here in the **Modify Your Event** section of the on-line planner, you can access, update, change or modify some of the most important Ceremony or Reception details: Cocktail and Dinner music can be typed here; you can enter all the names of your wedding party for the formal introductions; choose what songs you want or don't want; modify a specific activity or dance.

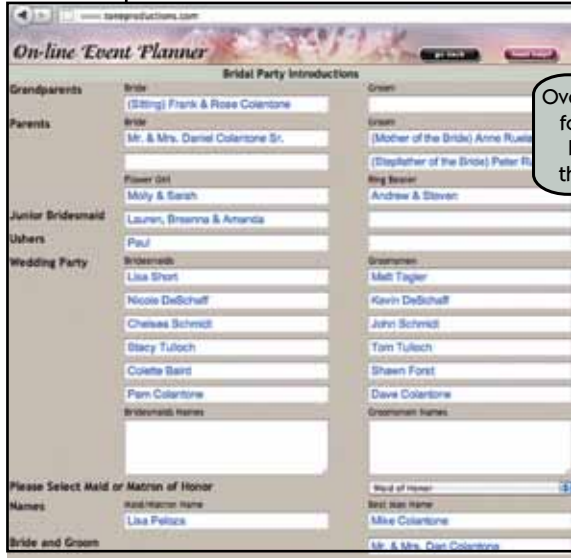

It's your wedding
You love it,
We love it.
You hate it,
We hate it.

Our SELECT box gives creative suggestions for when to do an activity or song selections to help.

Special instructions for your ceremony

Over 30 suggestions for every activity helps you pick the perfect song
